### Gender forms & political correctness

The fact that female forms are not mentioned in these texts should in no way be understood as showing disregard for the female sex, but it is rather that an older style is retained for greater ease of reading. We would ask female readers to excuse this simplification on our part and consider themselves addressed equally.

---

Conciliation body in accordance with Regulation (EU) No. 524/2013 regarding online dispute resolution for consumer disputes: <http://ec.europa.eu/consumers/odr/>.
